QUESTIONS 16

Make it Virtual

Below is a list of turnkey virtual fundraising ideas that you can use to reach your fundraising goal.

Friendly Competition | ★

Everyone loves a challenge, so why not engage in a bit of friendly competition for a good cause? See which members of your team can raise the most funds online using your ncaadii.wish.org page or challenge different groups/clubs to plan their own fundraisers. Offer fun incentives for the best ideas, top fundraisers, etc. Another competitive idea is to have supporters vote for something – like who will get a pie in the face or do wacky stunts – by making donations.

★ Design Contest

Work with your teammates to design shirts for the campaign, then have people donate to vote for their favorite design.

★ Step-A-Thon

Offer up a challenge with your favorite step-counting device and get others to donate to try to beat your steps.

★ Host a Roast

You don't need a professional television network to host your own roast! Suggest \$5 for online attendance and host through a livestream.

★ Polar Bear Plunge Challenge

Have people donate to your link as they share getting cold water dumped on them or jumping in a nearby cold body of water!

★ Jellybean Lottery

Fill up a jar with jellybeans (or anything else – paperclips, marbles, etc.) and suggest a donation for people to guess how many are in the jar! Whoever has the closest guess gets a small prize.

Make it Virtual (CONT.)

Picture This | ★

Plan a photo contest and invite everyone to get in on the action! The theme is up to you and your team ... think baby photos, pet photos, childhood sports photos, embarrassing photos, etc. Supporters can “vote” for their favorite photos by making donations and you can even turn this idea into a bracket tournament with top photos advancing through each round.

★ Embarrassing Photo

Set a mini-goal and post an embarrassing photo when you reach the set amount.

★ Dress Like A Superhero

Share a photo of yourself dressed like your favorite superhero and share your link.

★ Pet Costume Contest

Post a picture of your pet in costume – don't forget to include your donation link!

★ Baby Photo Contest

Share a photo of yourself as a kid and what your wish would be (the five wish categories are “I wish to go,” “I wish to meet,” “I wish to have,” “I wish to be” and “I wish to give”) with your donation link.

Sell It | ★

Sales fundraisers are a “win-win” for everyone! You can create your own or choose from some of these ideas: garage sales, cookbooks, tutoring/babysitting services, holiday gift baskets, wristbands, T-shirts, etc. Supporters can pay by making donations online and you can offer contactless pickup if needed!

★ Sell Custom Bracelets

Either make your own bracelets with beads and/or string or order rubber ones online to send to donors.

★ Sell T-Shirts

Create a personalized T-shirt with Custom Ink and sell them to your donors.

Pro Tips | ★

Restaurant nights are a great way to easily enhance fundraising. Check to see which of your local restaurants offer a percentage back to schools/groups and consider scheduling some dine-out/take-out nights that you can promote within your community.

1. Up the ante by adding fun incentives to help motivate everyone on the way to your fundraising goal. Need ideas? Your Make-A-Wish staff partner can help!
2. Selling T-shirts? If possible, try to get supplies and print services donated (or at a discount). Take orders/collect funds in advance to help cover costs. Another option would be to use a service like [customink.com](https://www.customink.com), a “one-stop shop” for T-shirt sale fundraisers.
3. Invite other groups/clubs to help make wishes come true! They can help promote your Wish Your Way page, participate in Virtual Wish Week and/or host fundraisers of their own.

Fun Night | ★

Hold a drive-in movie night, craft night, online trivia or family game night, or another type of “fun night.” Raise funds by charging an admission fee, selling concessions and encouraging general donations. To raise even more funds, consider incorporating raffles or an auction. Raffle/auction items can include things like school swag, art, music, yoga lessons, gift cards, etc. Let the fun begin!

Virtual Paint Party

Host your own virtual painting class and invite others to join online with a suggested donation amount.

Virtual Poker Party

Play dealer and host your own virtual casino night; donations cover the ante.

Scavenger Hunt

Post a scavenger hunt and ask people to share the weirdest thing they forgot they own.

Bingo

Find an online bingo board and have people donate to play along.

Raffle

Raffle off high-value items or services (raking leaves, cooking a meal, etc.) and pull tickets for the winners!

‘THONs

Host a ‘thon of your choice! This could be a danceathon, walkathon, bikeathon, or any other type of ‘thon you can think of! Participants can fulfill the requirements at home or around their neighborhood. All participants encourage their friends and family to make general donations online and/or pledges for each minute they dance, lap they walk or run, mile they bike, etc.

Get Sporty | ★

It's time to take it to the virtual court! Coordinate a gaming, eSports or workout tournament or event. Raise funds via registration fees, donations, special contests, etc. The game/format is up to you and there are lots of possibilities: all-day tournaments, student vs. faculty, or face off with a rival group.

Put on a Show | ★

Lights, camera, action! Livestream a talent show, fashion show, comedy show, art show, concert — anything goes. Raise funds through donations that count as votes, general donations, special contests, etc.

Mission Maven | ★

Host a virtual fundraiser with the Make-A-Wish mission top of mind!

See A Star Challenge

See a star, send a star; post a photo of a star on your story along with your link and tag five friends to repost and donate.

Chain of Stars

Cut out paper stars and chain them together each time you receive a donation to show the impact.

Make it Personal | ★

Fundraise, with your own personal twist! This can be appealing to your friends and family.

Retweets or Likes for Donations

Donate \$1 for every like or retweet that a post with your link receives.

Envelope Fundraiser

Include a pre-stamped envelope with another snail mail fundraiser and ask people to send it back with a check making their donation.

Birthday Donations

Ask people to donate to your link rather than get you a birthday gift.

Piggy Bank Collection

Empty your own piggy bank and have friends and family do the same and drop off coins at your door.

Give It Up

Pledge to give something up (like a favorite food) until you reach your fundraising goal.

Give Me a Call!

Spend one weekend calling everyone you can think of to ask for donations.

For the Love of the Game and Wish Kids

Game Seats Halftime Drawing | ★

1. Reserve two or more front row seats.
2. Sell tickets to fans for \$1 at each basketball or football game.
3. Sell tickets until halftime.
4. Draw the winning ticket out of a hat.

1. Sell raffle tickets to fans in attendance for the chance at an opportunity to win a special prize.
2. Depending on the number of prizes available, select the winners from the tickets sold to win a prize.
3. Check with your student government association or athletics department to donate prizes or game tickets.

Halftime Contests | ★

1. Sell raffle tickets to fans in attendance for the chance to participate in halftime contests, such as kicking a field goal kick from a certain distance at a football game; counting the number of successful serves to a predetermined target during a volleyball game; or successfully hitting a hockey puck into a cut-out in the goal at a hockey game.
2. Select a certain number of participants to participate in the halftime event.
3. T-shirts, hats and other items donated by your athletics department should serve as prizes.
4. Ask spectators to donate to Make-A-Wish during halftime.

Sell Items at Games | ★

Identify possible items to sell during sporting events or special activities, i.e., pom-poms, foam fingers, lanyards and T-shirts. Pom-poms and foam fingers are generally great sellers. Make sure to contact the bookstore to obtain clearance to sell certain products if necessary.

Sporting Admission | ★★★

Implement an admission fee to a typically open event and donate the ticket sales to Make-A-Wish. An increase in admission price would also work, with the additional fee going to Make-A-Wish (i.e., \$1 from each ticket sale will benefit Make-A-Wish).

Show Your Support

Chains of Wishes | ★

A fundraiser designed to involve everyone on campus and within the local community.

1. Cut strips of paper and stamp or label with your school logo and include a statement that says: "In Support of Make-A-Wish®."
2. Sell these strips for \$1-\$2 to individuals in support of creating a "Chain of Wishes."

1. Designate which event will be your "Make-A-Wish Night."
2. Create flyers and marketing materials to advertise your fundraising event.
3. Request the local chapter include details about the event in their newsletters and social media outlets prior to the event.
4. Determine how funds will be collected during the event (a booth or table at entry points to the venue, or team members can walk around with collection buckets to take donations throughout the event) and designate who will participate in the collection.
5. Work with your local chapter to find an appropriate and willing wish family to participate in the event.
6. Secure an approved Make-A-Wish PSA from Make-A-Wish America to share during the game.

T-Shirt Sale | ★★

Sell athletics department T-shirts at games and in the dorms. This fundraiser needs to be cleared with the Compliance Officer and Athletics Department Licensee before beginning the project.

1. Get fundraising approval from the Compliance Officer and Athletics Department Licensee.
2. Design a T-shirt logo.
3. Have the T-shirts made.
4. Set up a table at a sporting event or in the dorm and sell.

For a donation of \$20, the student-athlete will receive a goody bag with items including fruit, favorite candy bar, juices, crackers and other related snacks. Parents will also be provided an envelope to enclose a personal letter. All donations will benefit Make-A-Wish.

1. Make flyers and forms to send to the parents of student-athletes.
2. Ask local retailers for donations of various goods and snack items to use in the goody bags. Keep purchases down as much as possible to ensure fundraising success.
3. Have forms sent back with money by a certain date.
4. Organize goody bags with treats and special notes.
5. Distribute to student-athletes.
6. These bags can also be sold during midterms/final exams.

Golf Tournament | ★★★

This is a great idea where the funds raised through the event could benefit both your institution's athletics department and Make-A-Wish. Make sure you are clear with participants how much benefits Make-A-Wish. This fundraiser needs to be cleared with the athletics department before beginning.

1. Set up a date to hold the event with a local golf course.
2. Charge a flat rate of \$75 per individual to participate in the event. This rate would include 18 holes of golf and dinner. Dinner can be something as simple as hamburgers and hot dogs. Funds raised (at least 50 percent) will benefit Make-A-Wish.
3. Organize participating individuals into foursomes and let them play. Winners will receive a prize or goody bag. The prize pack may contain a gift certificate from a local restaurant or local merchandiser.

One Wish, One Night – Game Night | ★★★

The goal of “One Wish, One Night – Game Night” is to raise enough money in one night to sponsor a wish for your local chapter. Include games such as a hula hoop contest, limbo, pie-eating contest, and require participants to pay an entry fee for each event they would like to participate in. Provide winners of each event with a prize.

1. Secure a site for the event that allows for plenty of space for multiple activities at once.
2. Set a date and time for the event.
3. Determine the games that will be played during the event – the more you have, the better!
4. Secure equipment needed for the event (hula hoops, basketballs, limbo pole, etc.).
5. Enlist a few volunteers to act as referees for each event.
6. Request donations from local retailers to use as prizes for the winners.
7. Create approved marketing materials and distribute throughout campus and to the local community – the more participants you have, the more funds you will raise.
8. Work with your local chapter to determine the average cost of a wish and designate the number as your fundraising goal. Include your goal in all marketing materials for the event.
9. Sell tickets in advance and during the actual event.
10. Invite a local band or DJ to perform during the event.
11. Announce your progress on your goal throughout the night to generate excitement and encourage additional participation and donations.

Auction | ★★

Have local businesses donate items for a student-athlete sponsored auction to benefit Make-A-Wish.

1. Have all donated items organized on a table.
2. Give each person a sign with a number to use to bid.
3. Have an auctioneer be responsible for introducing the item up for the auction and then keep track of winners by using a computer spreadsheet (a silent written auction would be a great idea as well).

Bake Sale | ★★★

This fundraiser is a hit before, during and after big games. Set up right outside the field/court, and the baked goods will be gone before you know it!

1. Have student-athletes in the athletics department or local grocers donate goodies to the bake sale.
2. Designate team members to work shifts to sell the goodies.

Car Wash | ★

1. Find a fire department or other water resource in your area.
2. Advertise around campus and in the local community.
3. Sell tickets in advance and allow for drive-ups on the day of the event.

1. Contact a local pizza parlor.
2. Set up a date and time to hold the fundraiser.
3. Advertise around school and in the local community of the special event. Let the public know that a percentage of sales from the event will go to Make-A-Wish.

Mascot Cards | ★★★

Mascot cards are great because the money is donated to a good cause, and the recipient of the card may save money at local restaurants and businesses. Cards should be sold for \$10-\$15 with a percentage of the funds raised benefiting Make-A-Wish. Cardholders would receive the determined discount percentage from the selected businesses.

Spare Change Drive | ★

Collect spare change in jars placed in various areas around campus (i.e., dorms, athletic centers, snack bars, cafés and ticket counters) where tickets to athletic events may be sold from students and student-athletes. Label the front of the collection jars with Make-A-Wish campaign name.

1. Gather coffee cans and milk jugs to use as collection containers.
2. Distribute clearly marked jars in places around campus.
3. Designate student-athletes to collect change on a daily basis.
