

NCAA DII has a long-standing relationship with Make-A-Wish, which grants wishes to children with life-threatening illnesses. Since 2003, NCAA DII has raised and donated nearly 7 million dollars and counting, helping to grant wishes nationwide. These wishes can be a game changer in children's fight against illness, helping them feel better and providing hope for their future.

Get Started Fundraising:

- Log into your Participant Center, once registered under your organization on ncaadii.wish.org, and utilize the tools available, including a QR code for easy digital donation collection at any fundraising event you are hosting.
- Tell your school's story of why you support Make-A-Wish.
- Track your team's progress toward your goal with Leaderboards.
- Connect with your [Local Make-A-Wish Chapter](#) for additional support.
- Plan fundraisers on campus during 2024 Wish Week: February 17th-23rd

Host a Wish Week on Your Campus!

NCAA DII will host their annual Wish Week from February 17th- February 23rd, 2024. **Many institutions have had great success hosting a Wish Week, with several scheduled events on and off campus.** *There is no minimum to how many events you host during the wish week.*

Here is a sample of a potential Wish Week Calendar:

Sunday: Host a Dine to Donate at a local campus favorite and ask them to donate a portion of sales to your campaign.

Monday: Host a Chain Of Stars on Campus- Ask donors to write their names on a paper star and display them on a wall in a high-traffic area- Get creative and utilize sidewalk chalk!

Tuesday: Host a Trivia Night on campus- Ask for a donation for the entry fee. Double your opportunity: Consider hosting at a local restaurant and ask for a portion of sales to donate back.

Wednesday: Workout for Wishes Wednesday: Hold a Workout or Skills Class with your team and ask for donations to join.

Thursday: Share on your Social Media why you and your school are fundraising for Make-A-Wish and include the link to your fundraising page in your message. BONUS: Ask your friends to join you in wearing blue and sharing your message on their own social media for more attention.

Friday: Big Game Kickoff: Use halftime to show a Make-A-Wish video for fundraising, take donations from the crowd, and offer a halftime game to win prizes to prompt more donations. Print out QR Codes from your Participant Centers for easy digital donation collection.

Saturday: Are you a Star? Host a SELFIE Station on Campus in a high-traffic area, with blue balloons and signs that say your school supports Make-a-Wish, and ask for donations for everyone who stops for a picture.
